3 Notes for employer

You should give each employee or director a copy of their P11D information and send the completed forms P11D and P11D(b) to HMRC by 6 July. You do not need to submit a P11D for expenses and benefits you've registered to be taxed through your payroll, but you do need to complete a P11D(b) and return it to HMRC. You also need to pay your employer Class 1A National Insurance liability.

Pay Class 1A NICs shown on the return to the Accounts Office. Details on how to pay are on GOV.UK, go to www.gov.uk/pay-class-1a-national-insurance

You should pay by 22 July or 19 July if paying by post.

Filing deadline

The filing date for the return or declaring there's no return to make is 6 July.

If we do not receive anything by 19 July, penalties may be charged. For more information go to www.gov.uk/employer-reporting-expenses-benefits/deadlines

Class 1A National Insurance contributions (NICs) due

You need to pay Class 1A NICs on benefits which have to be returned on forms P11D or have been taxed through your payroll, except where Class 1 NICs or Class 1B NICs are due. To help you identify the benefits where Class 1A NICs are due, the boxes on form P11D are brown and marked '1A'. You can find more information in the 'P11D Guide' and CWG5 - 'Class 1A National Insurance contributions on benefits in kind'.

Form P11D

You must complete form P11D for each employee or director if:

- you've provided them with expenses or benefits, which you've not registered to be payrolled and are not covered by a PAYE Settlement Agreement
- you've arranged for taxable expenses or benefits to be provided by a third party

If you choose to send forms P11D in batches, send the declaration with the final batch.
